

Berrynarbor Parish Council

County Councillors report

February 2025

I am very pleased to advise that after many years of trying there is now a new sign at Diggers Cross,

Defribulator.

Julie contacted me last week and I was very happy to use the remaining £800 in my locality budget to support the defibrillator appeal. The money will come soon into your account if its not already in there!

Local Government Reorganisation

The English Devolution White Paper was published just before Christmas.

Extract from the ministers letter probably gives some explanation as to where we are heading as residents in a two tier area;

Local government reorganisation My intention is to formally invite unitary proposals in January 2025 from all councils in two-tier areas, and small neighbouring unitary councils. In this invitation, I will set out further detail on the criteria I will consider when taking decisions on the proposals that are submitted to Government. I intend to ask for interim plans by March 2025. As set out in the White Paper, new unitary councils must be the right size to achieve efficiencies, improve capacity and withstand financial shocks. For most areas, this will mean creating councils with a population of 500,000 or more. However, there may be exceptions to ensure new structures make sense for an area, including on devolution. Final decisions will be made on a case-by-case basis. We will ask you to work with other councils in your area to develop unitary proposals that are in the best interests of the whole area, rather than developing competing proposals.

Statement from Andrea

Following publication of the Governments Devolution White paper it is clear that considerable change is going to happen in Local Government in Devon.

We have two options;

- 1. Do nothing and the government will impose changes**
- 2. Engage with government to get the best result for the residents of Devon.**

I believe that engagement with the government is the best option.

While I may not agree with al the government's proposals, I need to do everything I can to ensure that the changes will make local government sustainable for the long term and able to withstand shocks like the pandemic and the world financial crisis. At the heart of all this must be a stronger voice to inform the government of the issues my residents in Combe Martin Rural and the residents in the wider area of Devon face.

Update 05.02.25- The Government has turned down Devon County Council's request to postpone its elections in May.

This afternoon Secretary of State for Housing, Communities and Local Government Angela Rayner announced that the council's request was among those which have been rejected, meaning that the council's May elections will proceed as planned.

The announcement coincides with confirmation that the Government has signed the necessary legislation to bring the Devon and Torbay's Combined County Authority (CCA) into being.

The Devon and Torbay CCA is the governance needed for devolved decision-making powers and funding to flow from Whitehall to local decision-makers in Devon and Torbay. Through the Devon and Torbay CCA, it means that decisions that were previously made in Whitehall will now be made locally on priority issues including housing, jobs and skills, transport and economy.

Letter received from minister Wednesday 5th February

We ask for an interim plan to be submitted on or before 21 March 2025, in line with the guidance set out in the attached Annex. My officials will provide feedback on your plan to help support you to develop final proposals. I will expect any full proposal to be submitted by 28 November. If I decide to implement any proposal, and the necessary legislation is agreed by Parliament, we will work with you to move to elections to new 'shadow' unitary councils as soon as possible as is the usual arrangement in the process of local government reorganisation. Following submission, I will consider any and all proposals carefully before taking decisions on how to proceed.

Free school meals

All children in reception, year 1 and year 2 at state schools in England automatically get free school meals. However, parents and guardians are encouraged to apply for free school meals when they enrol their child in school, as this can help their child's school to attract additional '[pupil premium](#)' funding to support learning.

From year 3 onwards, children whose parents are getting any of the following are entitled to free school meals:

- Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods).
- Income Support (IS).
- Income-based Jobseekers Allowance (IBJSA).
- Income-related Employment and Support Allowance (IRESA).
- The guaranteed element of State Pension Credit.
- Support under Part VI of the Immigration and Asylum Act 1999.
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income that does not exceed £16,190).
- Working Tax Credit run-on (the payment you get for a further 4 weeks after you stop qualifying for Working Tax Credit).

School children living on their own (16-19 year olds) who receive a qualifying benefit in their own right can also get free school meals.

How to apply

Apply through the [Devon Citizens Portal](#). This is the quickest and easiest way to apply and will result in you getting an instant decision. Alternatively, call the Education Helpline on 0345 155 1019.

Energy Efficiency support available

Householders who want to make their homes more energy efficient but are unsure of what steps to take next can get free impartial advice from trusted local experts at [Energy Saving Devon](#).

The Energy Saving Devon Advice Service provides personalised consultations, helping residents to make informed decisions about improving energy efficiency in their homes. This could include a free home visit from a local energy advisor to help you understand which energy saving measures are best suited to your home, advice on grants you may be eligible for as well as solutions to issues such as damp and mould, condensation or underheating.

Energy Saving Devon is a partnership of all the local authorities in Devon, local community energy organisations and other strategic partners, administered by Devon County Council. The Energy Saving Devon team will be able to advise you on the suitability of your home for measures such as insulation, energy efficient windows, heating and hot water systems and renewable energy systems like solar panels.

Retrofitting these measures can make your home warmer and more comfortable as well as providing healthier living conditions, lower energy costs and lower carbon emissions.

To find out more, or to book your free home visit, contact your local community energy organisation by phone or WhatsApp on 0800 999 1439, or email energysavingdevon@devon.gov.uk

Please beware of rogue traders who may approach you directly. You will never be asked to make an upfront payment by Energy Saving Devon. If in doubt, please contact the Energy Saving Devon advice line.

I have reported this abandoned caravan (Long Lane layby on the A3123) to highways who will contact the District Council, please feel free to use the photo of you want to also report.
www.northdevon.gov.uk/environment/street-care/abandoned-vehicles

The DCC website is very useful for reporting highway problems and the reports go straight to the contractor.
[Report a problem - Roads and transport](#)

Alternatively, the highway contact number is 0345 155 1004

If it's a river flooding the environment agency can be contacted on 0345 988 1188
